You will receive a version of the below email from InfoRequest@verifyprotect.com requesting you to submit an online application. The email will indicate which documents that are needed to be uploaded to complete their application:

- Proof of Identity: Copies of legal ID AND Social Security Card
- Proof of Income: 3 most recent paystubs OR 3 most recent bank statements (only for primary applicants)

You will receive reminder emails for the following 7 days until the application is completed. The link on the email will only be functional for those 7 days following the initial email. If you fail to submit the application within 7 days, the link will expire.

You will need to complete the online application fully and upload all requested documentation in order for the system to allow a submission. Upon filling out the application, you will be asked to upload a pdf or jpeg of the required documentation. The portal will not allow you to submit the application without all documentation being uploaded. You will be required to pay the \$50 application fee in the ATS Portal. NOTE: International applicants please call the sales office or the clubhouse office for assistance.
